## Summer Camp 2024

Programs (camp for all is from 9am-12pm), incoming three year olds attend 3 days, 4+ attend 5 days	
Week 1 - July 8-12	Cooking and Baking: Any little chefs out there? Kids love to help in the kitchen! It's a great way to sneak in nutrition, science and math! Let us take care of the mess and we can get them to try new things 😊 We will take all dietary restrictions and allergies into consideration.
Week 2 - July 15-19	Science: Are you a budding scientist? Come on in for a week of science fun! We will be doing experiments and learning about famous scientists.
Week 3 - July 22-26	Fairy Tales: Ever wish to be royalty? All the princes and princesses in all the land are welcome to our kingdom... maybe even a dragon or knight!
Week 4 - July 29-Aug 2	Circus: A circus needs all kinds of personalities and talents! Come join us and find your place!
Week 5 -Aug 5-9	Disney: Your favorite movies and characters can come to life at camp this week! We'll celebrate all the things we love about Disney with movie clips, music, crafts and games!
Week 6- August 12-16	Superheroes: Calling all superheroes! Join us this week for all things Batman, Spider-Man, Wonder Woman, Iron Man... and so many more! Plus, we'll end our week by turning into our very own superhero. Who's ready to save the world?

### **Optional Small Group Literacy and Math work**

For a small fee of \$25/week, we are offering an optional math and reading tutoring group for 4-6 year olds! If your child has struggled or you feel they may regress over the summer, this little bit of small group work will be perfect for them. It will be built into the camp schedule, and very much theme and play based... FUN!
